

Simple connection, seamless operation

Connectivity to wide range of Canon DR-series document scanners

Connect the flatbed scanner unit to a Canon DR-series document scanner via simple USB connection.

Seamless dual-scanner operation

Scan documents in conjunction with the connected Canon DR-series scanner, and save the images as a single file with the seamlessness of single-scanner operation.

High-resolution scanning

Digitise important documents in high quality with 1200 dpi optical resolution.

Support for wide range of document sizes

Scan as large as legal size, or fold the document cover to scan smaller documents with ease.

Foldable cover for fast document placement and scanning

Fold the document cover to enable "open scanning" with easy access to the scanning glass. Scan books, passports, and other bound documents, one after the other, with quickness and ease.

The scanning glass is capable of scanning documents as large as legal size. Simple adjustment of the cover position enables fast scanning for documents of various size.
